[The Elements of Moral Philosophy: Philosophy, Philosophy ...](#)

Reasoning is the process of thinking about things in a logical, rational way. It is considered an innate human ability that has been formalized by fields such as logic, mathematics and artificial intelligence. The process of reasoning is used to make decisions, solve problems and evaluate things. It can be formal or informal, top-down or bottom-up and differs in terms of handling of ...

[Critical Reasoning and Philosophy: A Concise Guide to ...](#)

Use of the term 'critical thinking' to describe an educational goal goes back to the American philosopher John Dewey (1910), who more commonly called it 'reflective thinking'. He defined it as . active, persistent and careful consideration of any belief or supposed form of knowledge in the light of the grounds that support it, and the further conclusions to which it tends. (Dewey 1910 ...

Philosophy really took off, though, with Socrates and Plato in the 5th - 4th Century B.C. (often referred to as the Classical or Socratic period of philosophy). Unlike most of the Pre-Socratic philosophers before him, Socrates was more concerned with how people should behave, and so was perhaps the first major philosopher of Ethics.He developed a system of critical reasoning in order to work ...

[The State of Philosophy in the Philippines: A Book Review ...](#)

However, in the case of philosophy an understanding of its history - from its ancient and medieval beginnings through the early modern period (the 17th and 18th centuries) and into more recent times - forms a vital part of the very enterprise of philosophy, whether in metaphysics and epistemology or in ethics, aesthetics, and political philosophy. To study the great philosophical works of the ...

If by philosophy is meant the corpus of adages and wise sayings which are manifest on the popular or grassroots level, it can be said that this philosophy underlies all institutions of the country. Filipinos may not be able to formulate or articulate this philosophy but it is nonetheless palpable in all their transactions and in their everyday existence. This indigenous philosophy may be said ...
