Kate Atkinson's latest novel may deal with a young woman, Juliet Armstrong, working for MI5 during the Second World War (and on into the Cold War), but if you are expecting something along the lines of a John Le Carre thriller you'll be disappointed. Transcription is also quite different from her most recent books, Life After Life and A God In Ruins. It's lighter in tone, with a playfulness ...

[Summary of Transcription: A Novel by Kate Atkinson ...](#)

Kate Atkinson's last two books both won the Costa novel award. Their star power owes much to their exuberant use of fiction's special-effects department. In Life After Life (2013), Ursula Todd dies again and again, living through many different versions of her life to build a rich, discordant symphony on the middle-class family in the first half of the 20th century.
